CHRIS DUETS WITH IAN McCULLOCH

As previously reported, Coldplay met Ian McCulloch (frontman of Echo And The Bunnymen) whilst recording their album at Parr St Studios in Liverpool. Ian and Chris sang together at Echo's appearance at Finsbury Park on Sunday 9th June - supporting New Order. They repeated history as they performed a duet of "Nothing Ever Lasts Forever", Chris had joined Ian onstage during The Bunnymen's tour earlier in the year.
